

Dear 2C pupils,

Happy new year! Wish you all a joyful and fruitful 2016! 😊

I am really happy to be the class teacher of 2C, as this is a very lively and fun-loving class.

Edwin and Evan, the stars who are confident on stage, also have a great attitude to learn and are always active in class.

Billy, Venus and Jacko, who are usually talkative and sometimes naughty, are clearly making an effort to learn better.

Jasmine, Jim, Felix and Patrick, who can focus on their work regardless of distractions, I am sure your hard work will pay off.

Ian, Ricky and Jerry, our remarkable dreamers, I hope to talk with you more and tap into your hidden talents.

Wing, Oscar and Rex, I am very proud of your generous heart in caring others and offering a helping hand.

Carmen and Matthew, who are usually quiet and gentle, I admire your motivation to learn and I hope you will keep up your hard work.

Last but not least, Jenna, I wish I had a big voice like you, but I also like it a lot when you speak gently.

Best wishes to you all, and wish you all a happy and healthy New Year! 😊

Love,

Miss Tse
