

Dear Students,

I would like to take this opportunity to welcome everyone back to the 2017-18 School Year! For those of you who are new to our school, I want you to know that you are coming to an absolutely wonderful place.

Hopefully you had an enjoyable summer and are now ready for a fantastic year. The English Room is a very busy place to learn and I can't wait to meet our P1 students and to see what the year has in store for us. I have planned exciting activities and I'm looking forward to sharing them with you.

Last year I had an incredible year with P1-P3 students. It was amazing to watch you grow in knowledge and to gain confidence in speaking English. I look forward year, please feel free to come and talk to me. Learning language is just about like learning anything else. The more you practice, the better you get. The more you speak, the better your English will become 😊

This year we will be introducing Guided Reading in P2-P3. You will be given the opportunity to apply your phonics skills to improve your reading as well as strengthen your comprehension skills. We will focus on skills and strategies to help you understand what you read. It will be a challenging year but an awesome and exciting one! So try your best, try your hardest, we'll work and learn together no matter what it takes!!

I know you are going to love your English lessons and we are going to have a FABULOUS year!

Once again, welcome back and I'm looking forward to a great year.

Best wishes,

Miss Claudia
