The City tour is to let students have an idea about the Auckland City. They will visit Mt Eden where students have a 360 degree view of the Auckland City. It is also formed from the crater of a volcano. Students can see the shape of the crater. Another spot is the Joseph Savage Memorial Park, a quiet and beautiful park where they can see the outlying islands. On the way, the bus will go past different places in central city, such as Queen's Street, Sky Tower and the University.

Auckland War Memorial Museum

In this 3 hours visit, students will learn about the Maori culture, natural life, natural disasters and the history of New Zealand.

Muriwai Beach

On Wednesday afternoon, students will visit the Muriwai Beach with a spectacular view of the Tasman Sea and the black sand beach. The most interesting part is the gannet colony where gannets can be watched at a close distance.

Auckland Zoo

In the Auckland Zoo, students can see different kinds of animals from all over the world. The highlight is watching the kiwi bird which is the icon of New Zealand. We may also be able to feed the giraffes.

Sheep World
