

Dearest 4A students,

It's my great honour to be your class teacher! Costa, Annie, Crystal, Ceebee and Sylvia are kind and lovely. Jano, Kason Yau, Shaun and Ethan are energetic and passionate. Always be kind!

Morris, Torris, Ted and Alisha are smart and helpful. You always help the teachers. Kelly, Brownie, Lilian and Kayden are diligent. Try your best with no regrets!

Jason and Kason Pang are sporty and cheerful. You always share with us. Alfred, Himson, Ling and Beverly have improved bit by bit throughout the year. Rock on!

4A is a lovely class. I hope you enjoy studying and have the brightest future. Be thankful and strong! Never give up!

Love,

Mr Liu March 2024
