

Dear all P.6 English Group A kids,

I am really thankful to be your English teacher again this year because all of you are always so cheerful and lovely. 😊

Kaycee, Matthew, Eason and Charlotte, our dear subject leaders, we are proud to have you to be our leaders. Thank you for giving a helping hand to everyone in need. You are my "super" helper. 🙌

Pinky, Coco, Cayden and Hillary have beautiful minds. You are really helpful and responsible. You like sharing with and listening to others. Great friends!★

Hinson, Apple and Ghofran, although you are shy, Miss Chan loves to see your gentle smile. Thanks for talking to me. Keep shining. ☀

Billy, Andy, Hysen and Kelly, you are learning better day by day. Miss Chan can see your hard work. Hope you can keep up in secondary school.😊

Ethan Alison, Mars and Brian are always caring and energetic. Thanks for making our classroom full of laughter.

Gp A, thank you for doing so well! Keep going in English and one day you will shine like stars. ✨

Miss Chan will miss you all!
