

Dear P5 English Group B and Lovely 1D kids,

It has been a great JOY to be your teacher this year. I am so proud to see your growth, progress and great job.

I remember...

When I enter the classroom, I can see many lovely smiles.

When I ask, 'Who can help?', I can always see many helping hands.

When I teach new things, I can see many eyes with curiosity.

When we do new tasks, I can see your great efforts to try and try.

You are all special and precious!

Let's learn, play, grow and enjoy a caring classroom together!

With love,

Miss Karina Tam 2021
